

Town Of Westford  
**Healthy Lakes & Ponds  
Collaborative**  
55 Main Street (Town Hall)  
Westford MA 01886

*Westford's Healthy Lakes & Ponds Collaborative Presents:*

**AN EVENING DISCUSSING THE CURRENT HEALTH OF WESTFORD'S  
RECREATIONAL WATER BODIES AND WHAT YOU CAN DO  
TO HELP PRESERVE & RESTORE THEM!**

Westford's Healthy Lakes & Ponds Collaborative (HLPC) is happy to invite you to an evening of discussion followed by a Q&A centered on the current state of our local recreational waters. Topics to include:

- The results of Westford's Lake & Ponds Water Quality Study performed last year
  - ESS Group, Environmental Consulting & Engineering Services
- Organic/Low Impact Landscaping & Systems Approach to Natural Turf Management
  - Chip Osborne, President of Osborne Organics LLC
- Center Pond Weed Project (for control of invasive species to reduce need for chemicals)
  - Joy Onasch, PE, Toxics Use Reduction Institute (TURI) @ UMass Lowell
- General ways you as a homeowner, business, and/or other local club/organization can help make a positive impact on our streams, rivers, ponds and lake, all of which effect the local aquifer which effects all of our recreational, ground, and drinking water.

**When: April 2<sup>nd</sup>, 2015 from 6:30 PM to 9:00 PM**

**Where: Nabnasset Lake Country Club, 47 Oak Hill Road, Westford MA 01886**

**RSVP: RSVP is required** by either telephoning Laurie Lessard (Westford Health Department Secretary) at 978 692 5509 or by email: [llessard@westfordma.gov](mailto:llessard@westfordma.gov)

Light refreshments will be served
