Brighten your child's summertime with the Parks & Recreation program for ages 4 to 6

that means

Quiet, nurturing, fun!

- Developmentally appropriate activities in a safe environment.
- Meeting children "where they are": focusing on a child's individual needs with an experienced staff and a high counselor to participants ratio.

Imagination, exploration, enrichment!

- Play-based, hands-on activities that improve fine and gross motor skills, such as sculpting, and building with legos.
- Plus *more*, like music and movement, yoga and mindfulness, and theater and storytelling.

Taking it to the next level!

- Learning to problem-solve, share, and take turns, while enjoying fun activities such as sports, games, and theme-based projects.
- *Great* preparation for entering preschool, kindergarten, and first grade.
