---

The Westford Partnership for Children After School Program (WPC) has been a trusted community partner for 15 + years, providing families with safe, high quality, after school enrichment programming. Westford Parks & Recreation is working closely with the Health Department and Town/School leadership to finalize program details, with the health and safety of our participants and staff as the top priority. The proposed program highlights for the 2020/2021 school year include:

- The program will run in the Millennium Building
- Serving grades 1-8 students
- Serving A and B pod students, on alternating weeks, in the afternoon following their half of day of in-school synchronous learning
- Transporting students by bus directly from their respective schools to the Millennium Building, during the dismissal/transportation/lunch portion of the school day
- Program end time of 5:00 pm or 5:30 pm, depending on age/grade of students

We appreciate your patience as we finalize program details, which will be reviewed at the 9/8/20 Select Board meeting. Additional program information and program registration is TBD pending Select Board approval on 9/8/20, and will be available via the following link [www.westfordrec.com](http://www.westfordrec.com)

Please feel free to contact our office at (978) 692-5532 with any questions.
